

Happy New Year!

Thank you all so much for coming out and playing in our tournament last week-what a fun few days! Dan and I can't say enough about how great those days were watching everyone play and seeing the pickleball community in action. You are all such great competitors, those were some hard won matches!

We look forward to offering more opportunities in the coming months. Feel free to send over any feedback you have on the tournament or ideas on any future tournament formats/days/times, etc.
